The Wright Aeronautical Corporation has started September 30 reports of net earnings \$407,457, and net profits \$144,000 after taxes, including income from dividends and other sources.

The General Motors Corporation reported on October 9, 1922, a net profit of \$2,617,331, and net profits \$1,044,000 after taxes, including income from dividends and other sources.

The Standard Textile Products has a treasury balance of \$3,000,000 in connection with issue of \$3,000,000 of 6 per cent twenty-year bonds. Bonds have largely absorbed the consolidated income account of A. G. Spiegel & Bros. for the eight months ended August 31, as submitted to the New York Stock Exchange, shows a net of \$175, after expenses, taxes, etc.

Income account of Pure Oil Company for the four months ended July 31, as submitted to the New York Stock Exchange, shows net income of \$3,273,040.

The Standard Textile Products has a treasury balance of \$3,000,000 in connection with issue of \$3,000,000 of 6 per cent twenty-year bonds. Bonds have largely absorbed the consolidated income account of A. G. Spiegel & Bros. for the eight months ended August 31, as submitted to the New York Stock Exchange, shows a net of \$175, after expenses, taxes, etc.

Consolidated income statement of Omega Kindred Corporation for the months ended July 31, as submitted to the New York Stock Exchange, shows net earnings of \$105,800 after charges and Federal taxes.

An announcement was made yesterday that subscriptions to the American Telephone and Telegraph Company's recently issued \$100,000 stock will show a total of 10,000 shares subscribed for. London 1 per cent was unsubscribed, the rest showed 100 per cent.

The consolidated income account of the Irvinite Oil Corporation for the eight months ended August 31, as submitted to the New York Stock Exchange, shows a net of \$1,002,000 after expenses, depreciation and Federal taxes.

The report of the South Porto Rico Sugar Company for the year ended September 30 shows a deficit of \$1,212,214 after interest and taxes and depreciation. This compares with surplus of \$46,400 or 41 cents a share, earned on the \$11,200,000 common stock in the previous year.

The Interstate Railroad Company asked the Interstate Commerce Commission today for authority to issue and sell up to the Virginia Coal and Iron Company \$1,500,000 in new common stock. The corporation proposes to issue the new stock at 1000 new and old stock.

Bachman Packing Company for nine months ended September 30, 1922, reports net profits of \$1,002,803. Cash dividends of \$157,452 were paid, leaving a surplus of \$1,835,351. On Sep-

tember 30, profit and loss surplus was \$2,702,056, after payment of stock dividend amounting to \$4,000,000.

The Consolidated Glass Corporation's report for the quarter ended September 30, last, showed net sales of \$4,501,325 and net profits of \$480,000 after operating and administrative expenses and miscellaneous charges. For the nine months ended September 30, net sales were \$11,715,525 and net profits \$891,628.

An issue of \$6,000,000 first mortgage sinking fund bonds of the Canaway Sugar Company (Companies Asociadas de Canaway, S. A.), a Cuban corporation, is being offered by the National City Company at 97½ and interest, at which price the bonds yield about 7.75 per cent. The issue is dated October 12, 1922, and matures October 8, 1942.

Report issued by the Car Service Division of the American Railway Association on the electric power available on October 12, there were 15,251 locomotives, or 23.8 per cent of the total on lines, in need of repair. This is a reduction of 400 during the first half of October, there having been 18,277, or 30.6 per cent, in need of repair on October 1.

Stewart Speedometer directors have called for November 30, in the purpose of declaring an extra cash dividend. Quarterly disbursements were reduced from \$1 to 5 cents a share in April, 1921, increasing to seventy-five cents a share in April this year and to \$1 and one-half cents monthly, making total payments this year of 75 cents a share.

The statement of the American Light and Traction Company for twelve months ended September 30, shows earnings of \$4,163,164 applicable to dividends and depreciation, equivalent after a full year's dividend on preferred stock to \$11.81 a share for the common, compared with \$9.03 in the previous year. December 31, 1921, and \$9.25 in 1920. Earnings since 1918, the most significant in view of the company's handicap during the long drawn out coal strike.
